MEDIA RELEASE

DATE: 7 November 2012

EMBARGO: None

SUBJECT: A SOUTH AFRICAN AIR FORCE AIRCRAFT INVOLVED IN A MINOR LANDING ACCIDENT

On Wednesday 7 November 2012, a South African Air Force aircraft, Dakota C-47, was damaged when it landed at Umtata airport.

The cause and impact of landing will be determined by a Board of Inquiry which will also assess the extent of the damage to the aircraft. No fatalities have been reported.

Ends.
