UNCONFIRMED BODY FOUND IN NAMIBIAN WATERS

The South African National Defence Force (SANDF) would like to report that an unconfirmed body has been found in the Namibian waters.

The body was discovered on Sunday 03 November 2013 during the search for two SANDF members who went missing during the SADC Special Forces multinational force preparation exercise WELWITCHIA. The SANDF, the Namibian Defence Force and other relevant authorities are currently busy with the identification process in order to verify the body.
