On Friday, 07 November 2014, Minister Nosiviwe Mapisa-Nqakula will address the newly appointed ARMSCOR Board at Kievits Kroon Country Estate, Pretoria.

The two-day strategic planning workshop ends on Saturday and Minister Mapisa-Nqakula will make her keynote address to officially open the workshop.

Except for the recent introductory meeting with members of the Board, the maiden workshop will be the first opportunity for Minister Mapisa-Nqakula to hold intense policy and strategic discussions with the new ARMSCOR Board.

It is Minister Mapisa-Nqakula's hope that by the end of the workshop, a structured method for continuous dialogue and effective interaction between the Board; Department of Defence and stakeholders would have been developed.
